“ *So very sorry to hear of the loss of David. Danny thought highly of David. After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we were blessed to have shared together, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May our Lord comfort you and your family during this difficult time.*

“ Sue, Randy, Sherri and family, I am so sorry to hear of David's passing. He was such a pleasant person to work with on project renovations here at Clemson Facilities. We sorely missed him when he retired. I've thought of him often. In reading memos from others I see he was also such a special Husband, Father, Papa and friend. Our world need many more people like David. Your family will be in my thoughts and prayers.

“ David was so loved by many, many people. His quiet unique sense of humor made him a joy to be around. I loved his sharing of stories about his loud neighbors on Furman Lane and all the times he talked about having tea parties with Ella Gray and doing other things with the other grands. Only real loving Papas would do that, and he will always be remembered as a very devoted Dad, Papa, and friend. We love your entire special family, Sue, and know we will all be together again one day. Our love and sympathy, Louise and Clarence
