“ I worked with Bob at NLS in Fayetteville, NC. He taught me so much about the business and people. I will miss him dearly. We had kept in touch over the years since National closed. Such a great man and a huge loss to all that knew him. My prayers are with Anna and the family. Although I never met you, I feel as I have known you thru the stories that Bob shared with us. he loved you dearly..

I met Bob in 1968 when I worked at National Linen in Pensacola, Fla. He devoted his life to NLS. It was always more than a job to him. It was his life and all his close acquaintances within the company became his extended family. He is a huge part of my past and I will miss seeing his name show up on my caller I.D. when he would call just to chat. The luckiest day of his life was when he met Anna Marie. She was his anchor in life and gave him the love many could only hope for and dream of. RIP Bob and hug our son for me in heaven.
