“ Robert was a friend in high school and beyond. I don't believe I ever saw him without a smile on his face. He never had a bad thing to say about anyone. He was chosen by his senior classmates as "Most Talented" boy because of his skill and love of band and chorus. It was so sad seeing him decline in health over the past few years.##imported-begin##David Lyle##imported-end##

“ My family and I will remember Robert most fondly. I am so sorry not to have visited him more as I feel he was lonely as we all are at times. The last time I saw him when he was in Seneca and seemed so pleased to have a visitor. Our love to the whole Booker family at this time of grief.
