“ *Mr. Lindgren was one of the finest men I have ever gotten to know. He and I spent much time together when he served on the Tribble Center Board especially when he served as chairman. He was an inspiration to me and taught me many things. He was an intelligent man and always made decisions after careful thought. I have missed him being on the Board and he served as long as he could. He loved his family and absolutely adored his wife. I know he and his beloved wife are now back together. My condolences to the family.*
