“ Mike and Cindy Williams would like to send our condolences to the Towe Family. He was a great friend to Mike and we had no idea he was sick. I will miss his visits and hearing him play guitar. Every time he came by he would find a way to get a guitar out and play a little even though Mike can no longer play he always had hopes that one day they could play together again. RIP Bob, now you and my Dad can play together in the clouds.
