“ *Mountain Man has been described by many words over the years, he was deliberate in his words and actions.*

He had conviction in what he believed and had a kind heart.

You always knew where you stood with Mountain Man, his honest demeanor was truly worthy to all that knew him.

Mountain Man was at peace with who he was and where God had placed him in the continual cycle of life. He loved this land, mountains, and community.

He was what he was, a good friend.

May you rest in peace Mountain Man, you will be missed!

“ I think Robert had one of the kindest hearts I've ever known. He was always willing to help you anyway he could and did it with a smile. I have alot of good memories of him that I'll always treasure and though I haven't seen or talked to him in quite a while, I'll miss him.
