“ *Bobby worked on our house when it was under construction in Keowee Vineyards. We got to know him well and he was a very fine young man. He would do whatever was asked of him and more importantly - do it to perfection. Bobby helped me change and alter a propeller for my boat a few years later. I simply had to ask and he was there for me ... never expecting or asking anything in return. Bobby became a man who Jan and I will always remember fondly and that any friend or family will miss tremendously. Having just found out about his untimely passing, we weren't able to express our sentiments on a more timely basis. Please accept our sincerest condolences and know that our thoughts are with you.*

*Sincerely,
Greg and Jan Mann*
