“ *I had the privilege of working with Robert throughout the clubhouse renovation at Lake Toxaway Country Club. Robert and his JDavis team worked through the challenges of a full scale renovation during the winter in the mountains of North Carolina with persistence and grace. With Robert as the Project Manager, the project has exceeded our members expectations and has won two national awards.*

When I think of Robert, I see a smile and a hear the friendly voice of a caring man. Robert was never too busy and had a genuine quality that will be missed. Our entire team has felt this loss and we are praying for Robert's family at this incredibly difficult time. God Bless

“ When cousin Sandra told me she met a good Christian man while traveling, I asked her what characteristic of his described him the best, and she said "gentleman". Then I met him at a family function and experienced his chivalry as he opened my car door, saying "please allow me".

Robert loved his sisters, and Ava told me how she loved him dearly. Last August, he made a point of bringing her to meet me for lunch in Anderson to celebrate our birthdays. His thoughtfulness for others truly was the action of a good Christian gentleman, and we will miss him.

“ I had the pleasure of working with Robert during the successful construction project of The Country Club of Sapphire Valley. We hit it off great from the start and I was so impressed with his integrity, professionalism and dedication to his family. I was a pleasure to know Robert and sorry to lose him so soon. A great man. I remember talking about him coming to the Club and spending some time with Executive Chef as Robert enjoyed cooking.

Our project here at CCSV has turned out to be a tremendous success thanks to Robert's leadership as the Project Manager for JDavis Construction.

From all of our employees and members at CCSV, we send out deepest sympathy to Robert's family during this difficult time. We hope caring thoughts comfort you at this time of sorrow.

“ *Robert and I worked together on a couple jobs. I was privileged to be one of his suppliers and to get to know him on a more personal level. He was one of the kindest people I ever worked with. Even when things were not going as they should he always stayed very professional and calm, even when I knew it was hurting him inside. I also know how important his family and his faith were to him. I had a few unfortunate things happen to me in my life and he was very concerned and listened when I needed to talk. I truly loved Robert and will miss him dearly. He will always be in my heart and prayers! God Bless Peter Pasienza*
