“ I'd like to thank everyone for all you've done for me & my family since my dad passed away. I know I couldn't have made it through this horrible time in my life if it weren't for everyone being here to surround us all with love.

So from the bottom of our hearts, we'd just like to say Thank You & We Love You All!

“ You have our deepest sympathies and heartfelt sorrow. Tom was a gentle man I always will remember for his smile, beautiful blue eyes, great fishing stories, and always enough coffee for me too every morning. He was like a second father to my son, who is missing him terribly. Goodbye dear Tom. I'm so happy I got to visit you just a week before Jesus brought you home.##imported-begin##Susan & Marcelino Frausto##imported-end##
