“ I remember Robert from church. His wife Alice teaching us kids Sunday school lessons. He could sing and was a good mechanic. I used to ride by as a kid on my mini bike and stopped by with it skipping and he knew how to fix it and didn't charge for the repair. Good man, him and his wife both. Both will be missed

I became best friends with Robert % Mary Alice. Loved them both. Used to visit Robert for company for him and to cut grass often, to help work on cars, and help him take care of his house and property. My wife Theresa developed sever dimensia and can not be left alone for a minute making it to where I couldn't stay over at Robert's all the time. I loved him like a brother and the feelings were mutual. Blessed soul.
