“ *I will always remember you and me playing in the yard..we would practice free throws and we worked on my batting.my first memory of you being proud of me was when we were practicing batting and you threw a pitch that would have been a ball but I swung anyway and I hit the ball from our backyard to the basketball goal that sat in the circle of the road...he told me that I shouldn't have swung but he couldn't argue with what I did...lol..you were a great man and a great example of what being a man is..thank you dad for the love I didn't deserve....*

Rodney was a good man who took care of his whole family. He did not judge people. He would give his opinion but He did not give advice. I have only known him for 10 years and the last 3 or 4 years have been really hard for him. He had to endure things that I wished he hadn't but he dealt with them. I have a lot of respect for him. He found ways to laugh at the issues he had to deal with that I found comforting. He will be missed.

I knew Mr. Lee as a caring and concerned father way back in the Walhalla High School days. Rest in peace, my friend.
