“ I am so saddened to hear of Rogers passing. I enjoyed many meals with him at his dining table. I will treasure the memories & laughs we shared together. I'll never forget all the wild animals that we'd see on his porch including the goat that tried to come in his front door. We had some wild times! I still to this day cook cornbread the way he taught me how to. I miss him dearly!

“ Nancy, I am so, so sorry!! I am so thankful that I had the opportunity to take care of Roger, and get to know him, and build a special friendship with him. He was always such a sweetheart, and I loved being able to spend time with him!! I will miss making his breakfast, and all his sausage biscuits, hamburgers, and tea, and all the talks, and laughs we shared at his kitchen table. He was always so glad when I came in the door, which made me happy, and I will definitely miss him, and will treasure all the memories that I have!! I wish that I had gotten the chance to see him again (but Covid had other plans for me), but I know that I will definitely see him in heaven!! If there is anything that I can do, PLEASE, let me know!! I am here for you, and I am praying for you and your family!!
