“ *Roger was like a big brother to me when I was a small kid. We had bullies in the neighborhood and I always felt safe when he was near. One time me, Hank(my brother), Charlie and Roger rode the same bicycle at the time! Of course Roger did all the work!
I grew up in the Church of God #1 with him. His Mother would give us "hand me down" clothes from him and Charlie. Back in the sixties all the boys after church would play "king of the hill" in the front yard of Bill Gardener's house.
A lot of great memories!
Sorry for the loss.*
