

Mr. Roger Douglas Jackson

December 27, 1942 - August 24, 2023

Roger Douglas Jackson, 80, of Salem SC, passed away Thursday, August 24, 2023 after a short illness.

Roger is survived by his sons Scott (wife Tara, children Ryan and Brody) of Ellicott City, Maryland, and Lee (wife Belinda, children Davis and Avery) of Atlanta, Georgia, as well as his two sisters MaryAnn Voigt and Joyce Otkin, and his nephews and nieces. He was preceded in death by his loving wife of 45 years, Carole Ann Jackson, his brother Don Jackson and wife Loretta, and his parents Basil and Evelyn Jackson. Roger leaves behind his special companion of nine years, Adrienne Brandecker.

After graduating White High School in White, South Dakota, Roger left the farm life and served in the Air Force from 1960 to 1964.

Trained as a Russian linguist, he subsequently spent 42 years in intelligence positions, mostly at the National Security Agency (NSA) where he ended his career as a senior executive. He was a graduate of the University of Maryland (BS); John Hopkins University (MAS); the National War College; Federal Executive Institute; MIT "Twenty-One" program and lectured at the National Cryptologic School.

Highlights of his career included serving as Technical Director of the Naval

Operations Intelligence Center, Director of Operations of the Defense Special Missile and Astronautics Center, Director responsible for European Command during the Kosovo Conflict (Operation Allied Forces) and at Central Command during Operation Enduring Freedom (Afghanistan), Deputy of Production Group at NSA and Chairman of the Intelligence Analysis Career Panel. In 1990 Roger was awarded the President's Meritorious Executive Service Award, and in 2002 the Director's Distinguished Service Medal.

Before his retirement, Roger and his family served tours in Cheltenham, England, Fort Meade, Maryland, Tokyo, Japan, Stuttgart, Germany and Tampa, Florida.

Roger loved all sports, but excelled in baseball and softball. He played on the 2010 National Championship Softball Senior team, the Carolina Crush. He also attended the Braves Fantasy Camp. It included the same workout as the pros, uniforms, baseball cards, which was all a dream come true for him! Roger enjoyed stain glass work, soccer (avid Arsenal fan much to his grandson's chagrin), and tennis. He spent many hours exploring his genealogy history, even tracing his family back to the 1200s in England. He published his own story, "What Did Dad Do?" which is an amazing memory for the family to have. He loved nothing more than talking to his sons and getting play by plays of the grandchildren's soccer and tennis matches.

Roger retired to Keowee Key in Salem, South Carolina, a community on Lake Keowee. He served on numerous committees including planning, nominating, and tennis. He was instrumental in introducing Pickleball to Keowee Key and started the Novice Tennis Program which thrives today. He made many incredible friends and memories there and was very active socially.

A quote from Roger: "I've lived an incredible life, one full of interesting and challenging events. It would be a mistake to not give credit to Carole, who

supported me in so many ways and the boys, Scott and Lee, who navigated the perils of youth, schooling and careers with distinction, and who, with their families, have brought me great joy”.

A memorial service will be held at 11:00 AM on Saturday, September 2, 2023, in the Davenport Funeral Home Chapel.

In lieu of flowers, the family requests donations be made to Prisma Health Hospice of the Foothills, Cottingham Hospice House, Attn: Foundation Office, 298 Memorial Drive, Seneca, SC 29672. The family is very grateful for the care he received there, and sends their heartfelt thanks to the staff.

“ Roger and I worked together in the early 1960s in the Air Force on Shemya Island in the Aleutians. When I went to work for the Agency in 1966, we were roommates and worked together. We then went our separate ways I I saw him only occasionally.

I remember what a nice guy he was, and he obviously make some major contributions to our country. You can all be proud of him.

I was looking for his book online and I can't seem to find it.

“ *My sincere condolences to all family members. I had the pleasure of knowing Carole and Roger in Fernandina Beach when they entrusted me with the care and management of their beach house there. Like Carole I hail from across the pond, and I so enjoyed her very dry sense of humor. Roger would just smile! I was so saddened to learn of Roger's passing and I still today always think of him when I drive by his old beach house. Rest in peace Roger.*

“ My condolences to the family. I will miss my cousin. I have such fond memories of all the time I spent on the farm with him and his family and how inspired I was by his curiosity about how things works and his drive to figure it all out. The many hours of playing ball with him at family gatherings, his patience with his younger cousins and the research and documentation of our family history. I will never forget that he let me drive his " sports car" before I was old enough to have my driver's license. You were an inspiration to all who had the pleasure of knowing you

Douglas, this is Brian Jackson. Today, I sent an email to Roger to let him know that Larry died today. And then did some searching online to find out Roger just recently died.

I did not spend much time in Pipestone when I was growing up so I did not know him very well. But when I came to one of the annual family reunions, I spent a lot of talking with him and quickly realized what an amazing person he was. What character.

“ Roger and I were high school classmates and teammates. He was our best baseball pitcher because he understood the science of the game beyond his years, and he was one of my favorite classmates because of his quick wit and his wry sense of humor. - Charles Woodard, Brookings, South Dakota

“ Dick and I are truly saddened to hear of Roger's passing. Our memories go back to those wonderful days in Japan when we shared some wonderful adventures, but most of all, families, laughter and friendship. We loved Carole and her inimitable, unmatched sense of humor, and Roger was the perfect foil. He had the kindest, unflappable nature. Blessings to Scott, Lee and their families as you mourn the passing of your father. His stellar career in service to our country is truly worthy of admiration and respect.
