“ My heart goes out to Della and the family. Roger and Della have been in my prayers since last Saturday when I found out about Roger. My heart was saddened and broken. I met Roger over 25 years ago at our place of employment. Roger was a good man, a good friend with a kind and compassionate heart. Roger and Della grew to be some of my closet and dearest friends from work. There will always be a special place in my heart for them both. Della, you are in my thoughts and prayers as I did not know that Roger had passed away on the 6th and that his funeral was today. I am sorry that I missed being there for you and celebrating the life of a great man. Much love, Greg Mitchem

Roger and Della have been a part of my life for over 30yrs. They are family to me. We had many good times together, I checked on Roger and spent many days with them during the time they found the problem he had, up until the last day he would squeeze my hand, tell me he loved me and be careful going home, he was always a loving, caring , so fun to be around and a great chef, I miss him so much but I'm thankful God took him home, because I know he didn't want to stay here like he was. Della I know it's going to be so hard to live with out him but God will help you. I'm here for you day or night, Johnny and Allen you're in my thoughts and Prayers. Frankie know how much you loved Roger, you're the best. Love you Della , I'm here for you only if I just got one leg, I can hop

“ *Della,
Roger was a man's man. He was tough but yet always willing to open his heart to help others. Roger was one of those people that are rare to find in our world today. I know you lost your best friend but the world has experienced a huge loss also. He was a great man and will be greatly missed. I hope you find comfort in all the memories that you and him made and in the comfort of knowing where he is and that you will see him again one day.*
