“ *I remember many many years ago me and my husband were going through town and here come Ron riding a bicycle. We started calling him the bicycle man after that. But it wasn't long that he went to Texas for a while and he came back driving a gigantic Cadillac with bull horns as wide as the hood of the car on it. So then he was Cadillac Man. When you see Jeff and Harold tell them they are missed every day too. And we know that y'all still have our backs. ❤️❤️❤️. Loves Lisa Landrith*
