“ Ronnie taught me to drive a stick shift when I was 15 years old. I thought he the coolest guy ever. Fast forward to this last year of his life here....he taught me what it means to have faith in The Lord and I still think he is a cool guy. The Lord now has a cool angel.

Brenda & Family, know you are especially in our thoughts and prayers. We didn't get the chance to know Ron that long, but he certainly did make an impact on our lives. Our Love
