“ *We(Lois Neal Kelley & Gailyn Housley) are very sad to learn about 'Rosie'. We just heard the sad news today. We will miss her as an Aunt and Great Aunt. Her voice always reminded us of her sister, Maude Neal, they sounded so much alike. Years ago, we would all sit out on the old front porch after picking vegetables from the garden and chit chat in the late evening. Beautiful memories of her smiling face and kindness will be missed. We know there will be a day when we will all reunite in heaven and there will never again be any sickness. May the family be comforted by our Lord and Savior and be blessed with all the good memories that she has left with us. We will miss her dearly.*
