“ *To Leonard, Barry, and Michelle..I pray God will give you all the strength and support you need during this difficult time. I truly admired and loved Rose for her faith in God and for the way she loved and cared for her family. I just recently used recipes that Rose shared with me years ago (in her handwriting). I always think of her and remember all of the great lunches and laughter we shared. I treasure her friendship and memories. I know she is at Peace!*
