“ *admin* Good question, we are mentieg with Astrid Garcia on Monday morning. I'm sure we'll cover that topic and many others, but it's hard to say at this point how much she'll be able to say or knows. Although given Lee Enterprises track record at keeping there word and promises we're also getting legal advice on the necessary steps we need to take to protect the members and the benefits owed to our retirees.##imported-begin##Kortorkor##imported-end##
