“ Uncle Roy was such a good man. He loved the outdoors!!! He has most probably caught more fish in his lifetime than ten people together could. He has a multitude of bucks and does to add to the list also. He was such an avid sportsman! He played on a softball team, and I always got to sit in the dugout with the team. He taught me so much in life, but the most important thing he taught me was how important family is. He loved his family, and there wasn't anything he wouldn't do for us. He took care of us all in just the special way he had. I'm gonna miss all his stories and his laughter and his smile, but most of all I'm going to miss my one and only Uncle Roy!!! I love you Buddy!!
