My deepest sympathies to the family. Rudy made working at Moore's a little more fun. He loved all sports but basketball was special. We would get the Moore's gang together and play till we couldn't move anymore. He was a good friend!

“ *We were saddened to read of Rudy's passing. He seemed such a part of Walhalla in his special place in front of Moore's that it has never seemed the same when he was no longer there. He loved those Black Walnut Pound Cakes and would always make sure that I had a bag in the freezer so that I could make him a cake "when needed". God bless you all. We will be thinking of you and missing Rudy. Larry & Francoise Fussell*

“ Rudy graduated in my class of 1962 at Tamassee DAR School. He was always wearing a smile for everyone. I'll always remember his basketball playing for he played with passion. I looked for him at our 50th class reunion not realizing that he was ill. My prayers go out to the family. May the precious memories you have of him bring you comfort. Carolyn McCoy Eubanks, Class of 1962 --Tamassee DAR School.
