“ *Cathy and all the Ouzts Family:*

I am certainly saddened by this news. May God comfort you all in this time of sorrow. It has been many years since we all worshiped together at Berea and I especially remember Cathy's support when my own mother passed away.

God remains in control and while we often can't understand His ways, he is still God and give is the promise that, because of our salvation, we will all be in heaven with Him.
