“ *Dear Hazel,*

We are so sorry to know that another of our valued customers are no longer with us. He was one of the best. Always paid on time and was very cooperative in allowing us a little leeway in delivering his materials. Wish there was more people in the world like him.

Haven't seen him very often in the past few years but he always stopped to talk when we would meet.

Please know that our sympathy goes out to you and the Children.

Bob's health doesn't let him go out much anymore, but we will be praying for you during this very sad time.
