“ Dear Roger and family,

I am so sorry to learn of your mother's passing. I wish we could have been with you, but you certainly know our prayers and good wishes have been with you and your family.

Though we have missed you in the last weeks in our Gideon activities, we have known you were where you ought to be. We are glad to know of your faithfulness to your mother in her hours of such intense confrontation with life's end on this earth.

Despite the fact of loss from her passing, we share with you and your family's joy from knowing that she has been welcomed by the Lord into His Kingdom with no end.

We know the loss brings grief to bear, but we look forward to being with you during the time your family is dealing with the change to a different and challenging adjustment in how we experience family. May God bless you in these days and may you know we honor the ways you and Amber were a blessing to your mother in her last days.

Gideons all have been grateful that you were there to bless her last weeks, but we look forward and welcome your return because you both have enriched our Christian experience before and we know you will again.

Sincerely,

Jerry and Mary Jo Blake##imported-begin##Jerry and Mary Jo Blake##imported-end##

“ Terry,
I was your mother's home health nurse for awhile. I really loved her and enjoyed taking care of her. I am grieving with you and rejoicing with Ruth and Hazel as they are reunited! (I was Hazel's nurse, too). You all will be remembered in my prayers.
