“ *Awhhh Sadie, how I couldn't wait for you to be born!! Then, had to wait several months before being able to see you because of Covid. Julie, Stephanie and I threw a baby shower for you and your Mom and Dad here in this very room I am now unbelievably writing this memory for you.*

This world didn't have anywhere near enough time to see and be with your wonderfulness.

Please know how adorable you were and how much you were loved! And please visit your Mom and Dad and your brothers and sisters often. Help them feel your amazing bright spirit through their grief. They're going to need to. And may you be experiencing God's love firsthand now for all of us.
