“ Dear Joy, Coy always brought such joy to everyone he was around. Your parents I just loved. They were such a positive influence not just for me but for my children. They both were always happy and just motivated all of us. Your mom was in an exercise class I taught and she was MY motivation. Your family was such a positive influence on so many lives. I hope you know how much you all were and are so loved.

Gayle Rice (Lusk- back in the day). I am so sorry that Coy has passed. He was loved by so many.

“ I can just hear Buddy and Mary saying, “Well hey Coy!” I miss him already though. Fond memories is an understatement, but I was expecting many more. Coy loved big and loved to laugh. He was oh so proud of his lil sis and nieces. My heart aches for you all, but soars for his final destination! All my love and lots of hugs Joy.
