“ *Sam was a great friend and co-worker, we worked together as welders in construction and on the road maintenance crew with Duke Power. He was a lot of fun to be around and a hard worker who didn't mind getting dirty and doing hard work. One of the best air-arc men there was.* ”

“ Sam, you were very giving man who gave so much and excepted nothing in return. You were there when you didn't have to be. And you good to my mom and was with her till the end, with her when she passed. And I know you felt the loss. And after she was gone and I felt lost you were there for me. Funny how giving the chance 2 people can become good friends. We didn't get to do our Christmas because the God called you home to be with him and those that have passed before you. And although I now feel lost once again, it gives me comfort to know that you are at peace and in the arms of the Lord now. I will miss your laugh, your advise and even you being a pain in the butt at times. But, Sam I will miss you dearly. And you being gone will surely be felt here in my heart. You weren't just a friend to me you were family to us. And to Sam's daughters, sisters and grandson Hunter I felt as if I knew you. Sam spoke of all of you often and was so proud and loved you all. My deepest sympathies are with you all at this difficult time. If there is anything I can do please do not hesitate to contact me. REST IN PEACE SAM. All our love, Diana and Mackinzie Bowman.
