“ My heart stopped when I heard the news of Sammy's passing...A long time ago I started kindergarten with Sammy and went all through school with him. I remember in 2nd grade he let me put eye shadow on him. Also, my sisters got the bright idea to write with spray paint on the road in front of our house. I will never forget they put Renee loves Sammy. I was mortified at 7 but now I cherish the memory. He was one of my first best friends. We all went our separate ways after school but my memories of old times are precious. Prayers for the family.

“ Michelle, Olivia, Bailee, Cameron and Mom ... I am so sorry to hear about Sammy. He was such a good man, teacher and friend. He always made learning fun for all the children that came thru his classroom. I also had the pleasure to work with him. Sammy helped me to be the best Substitute teacher that I could be by leading by example. I pray God gives you all the Courage, Grace and Strength to get thru today and the coming days. God bless, Dean, Donna, Cody and Cory Swafford.

“ I was truly heartbroken to learn such sad news. I am the training coordinator for the CDL program at Tri-County Technical College and met Sammy when he took a class a few years ago. He was a great and very kind guy and I used to joke with him that we were cousins because my maiden name is Grant.

My thoughts and fervent prayers are with his family and friends at this difficult time of deep sorrow. God is able to give you peace in the midst of the storm and His strength to bear this heavy load.

“ *Sammy was my friend and had been since I have known him. He was a hard worker and enjoyed working. A great teacher who worked hard at educating his students. He loved driving buses and being the supervisor over the buses. He treated all his employees with respect. Sammy was s great dad and loved his children . We are going to miss Sammy even though we did not get to see him a lot since retirement. R.I.P. Sammy until we meet again.*
