“ *I knew Sara Jane from the Oconee County Beekeepers Association. She had a passion for learning about bees and how to take care of them. I will miss her ready smile and pleasing personality. Bill, you have my deepest sympathy in your loss. May God give you comfort during this time of sorrow.*

“ *I loved everything about Sara Jane, although I called her "Laura" all the time and she just laughed and said it was a compliment. I will cherish more the blueberry pound cake recipe she gave me. I was always amazed and inspired by her fiddle tunes. Natural joy was her makeup and she wore it beautifully.*
Eddie and I sent you love as we remember you in our prayers.

Mr Bush and family you are in my prayers and thoughts in the days to come. I always loved her fruit cake she gave me at Christmas. It was like my Mother's. God bless.

“ I feel lucky to have gotten to know Sara Jane Bush. She loved to learn, exploring and becoming accomplished at all types of crafts along with playing the violin very well. I will always remember our Christmas caroling trips to nursing homes. She would bring candy (some sugar free) for the residents after we played. She also made and shared wonderful blueberry jam with me for many years.

I never heard a harsh word from Sara. She was devoted to helping others, volunteering in her community in many ways. I will miss Sara.
