“ *My grandmother was the epitome of a hardworking, strong woman. She taught me more than anyone did, and she instilled in me a strength that I am so grateful for now that she is gone. She was bright, funny, incredibly wise, and so full of life and spirit. I will never cease to miss her beautiful presence and our bond. She will remain a part of me throughout my life and there will always be a void, missing her precious love and advice. She was unlike any other.. She was radiant.*

I will forever miss Aunt Sarah. She was certainly a very special lady. My thoughts and prayers are with all of my sweet precious cousins as I know the depths of sorrow from losing my Mother, grandmother, great grandmother and my best friend. May the comfort of our Lord and Savior Jesus Christ be with each of you. Sending my love to all of you.
