“ I am so sorry for your loss. I Love her very much too. I used to spend time at her house in the summers with her daughter Janice. Janice and I used to go to camp together. I wish someone would have called me when she went home to be with the Lord. Paul and Kieffer had my phone number. I guess Mama (Geneva Reeves) ,Aunt Lib, and Now Uncle Paul , well I don't guess I know they are all together in Heaven now!!! Many Blessings, Suzanne Rhodes (Suzy)###imported-begin##Suzanne Reeves Rhodes###imported-end##

“ She made it! No more pain, no more suffering, a clear mind and that sense of humor is back! I'm sure Jeff and all the other loved ones who made it before her were waiting at the gate and there's all kinds of celebrating today! What a great birthday present for Jeff (the day after his birthday) to have his Aunt Lib join him!

I wish I could be there with you all during this time but know that you all are in my thoughts and prayers. Lib was an amazing woman and I was blessed to have her in my life.##imported-begin##Jeane Hoover##imported-end##
