“ I am so very sad to learn of my dear friend Marilyn's passing. I have never forgotten the kindness she and Rough Ray extended to me during a hard time in my life so very many years ago, and I have missed seeing and talking with her. To think that I just recently found out where she was and was trying to find time to come see her, and now she's gone. Why didn't I pick up the phone and call her? We should NEVER wait to tell those we love that we love them - because just like now, we lose the chance.  
Rest easy, my dear friend, and know that I loved you and appreciated you for the wonderful friend you were to me. God Bless You and Keep You. Raymond - I love you too, always did, and I WILL call you. To Becky, Jenny and Jimmy - If you ever need anything, you can always call me - you were like my own kids for so many years, even if it was a long time ago.  
Love, Patti###imported-begin##Patti Hawkesworth###imported-end##
