“ *I first knew Sharon when she became a Guardian ad Litem volunteer, and she was a truly wonderful volunteer, so dedicated to the children she served. I will always remember when she came into the office after her first joint replacement, singing, kicking, and announcing that she might just try out for the Rockettes! After my retirement, I loved her e-mails and getting together for lunch with just a few others. I will always remember her wonderful face and will always miss it. My sympathy to all of you, the most important things in her world.*
