“ Keith and family,

I am saddened to see the passing of dear Ginny. I have so many fond memories of her. Going to see Dr. Moyle and Dr. Booker at the Medical Center as a child she was the first person we saw. She always had a smile on her face and put you at ease. But some of my fondest memories are working with Ginny at the Medical Center .She was not just a Manager , coworker but a true friend. I did go by and visit with her and she was still the same Ginny , laughing and making you feel at ease. She will be missed but I know that she is finally at home. Please know you are in my thoughts and prayers for you during the coming days. Carolyn Sullivan Spight.
