“ *Where do I even begin? Aunt Shelby it was just like yesterday you were here and now you are gone. I cannot believe its been over five years now. Heaven sure gained an angel when you left us here on earth. I miss you so much. I have so much I would love to share with you. I miss our phone calls, our prayers, singing, long talks and especially spending time with you and having you at home. I love you so much and I know you are safe in Jesus arms. I cant wait to make it to heaven and see you again. You mean so much to me. Always have and always will. Oh how life has changed so much since you left us but I wouldn't call you back to suffer anymore. What a day that had to be when you saw Jesus? No more suffering and no more pain, no longer in a wheel chair or have to fight the devil. You are free. I love you so much and I miss you!!!!*
