“*The rumors flew but nobody knew how much she blamed herself
For years and years she tried to hide the whiskey on her breath
She finally drank her pain away a little at a time
But she never could get drunk enough to get him off her mind
Until the night” I’ll never forget your beautiful voice singing this song to me and Hannah. You always made sure we felt loved and you always made us feel like we could come to you with anything. I will tell you this , the world lost a good soul, when we lost you. Love and Hugs to you.*
