“ *Sheri and I met in 1991 working for Oconee County E-911 office. We were partners in traveling in the rural parts of the county assigning addresses to the residents so they could be reached quickly in an emergency. We also worked in Building Codes. Sheri was the true meaning of FRIENDSHIP! I will miss her but memories I'll forever keep in my heart 💜 Condolences and Love to the family.*

*What a shock to have learned this today. I am very close to members of her family.. Her grandmother Rachel was my first cousin. All kind and great people. She will always br remembered and loved. This world is only for short lives. She lived hers as it should be lived. We will meet again in that place of peace and love.*
