“ I will forever miss my mom, she was the best. She did not have a mean bone in her body. She dearly loved her family, and she loved with all of her heart. When God called you home, he gained a special Angel. You are gone from us, but not forgotten. I love you always, and always. Love you mother.

“ Sidney was always happy and even happier when she got a biscuit or burger! She dearly loved her family and friends and loved getting visitors.

Once we were helping take some boxes to the landfill for her and found a tiny kitten under all the boxes. That kitten has since become a loving member of our family. We will always think of Sidney as we watch that little kitten grow.
