“ *Marley and I were Facebook friends.
I didn't have a chance to meet him in person.
He was proud of his job as well as surviving High School and graduating a year early.
He was full of love for everything breathing form of life:puppies,kitties and People.
Pure soul RIP Marley you'll always be remembered*

“ *Marley always made me laugh! He hated football but would sit with us all playing on his phone, he tried so hard to explain the game he was playing, or the difference between Manga and a Graphic novel, I never could quite get it. His sweet smile and kind spirit will forever hold a place in my heart. We miss you Marley!* ”
