“ I met my Aunt Kitty when I was four years old and immediately loved her. We shared our love for animals, which so many people don't understand. She was always so happy and kind to me, especially during my worst moments. I talked with her almost weekly on the phone and was fortunate to have recently visited her in hospice. She was just as sweet, funny, and beautiful as she had always been. I hope to see you someday at the Rainbow Bridge. I love you, Debra.
