

Dr. Stanley A. Rampey

October 18, 1951 - June 12, 2019

Dr. Stanley A. Rampey died on June 12, 2019 when his plane crashed in Florida.

He was a beloved family physician in Seneca, SC for the last 35 years.

Stan was born to Flora and Major Rampey of Piedmont, SC on October 18, 1951. He is survived by his wife, Carol, to whom he was married for almost 43 years; four children: Andrew with his wife, Melanie; Aubrey and her husband Jeff; Austin and his wife Elise; and Abram. He had ten grandchildren: Samuel, Caleb, Judah, Ian, Naomi, Silas, Ezra, Levi, Eleanor, and Julia. He is also survived by his sisters, Patricia and Ruth Ellen. He was preceded in death by his parents.

Stan studied at Southern Wesleyan University for two years before graduating from the University of South Carolina in 1973. He then attended the Medical University of South Carolina, graduating in 1977. His family medicine residency was completed at Greenville Memorial in 1980. After finishing his residency, Stan was deployed by the US Air Force to Turkey and then Germany. He moved to Seneca, SC with his family in 1984 and started practicing at Seneca Medical Associates and Oconee Memorial Hospital where he worked until he passed away. One of his favorite duties was delivering babies and he loved to sing "Happy Birthday" to newborns in the delivery room.

Stan loved his family deeply and, along with Carol, took his four children on numerous camping, hiking, and skiing trips across the United States. His grandchildren adored their "Papa Stan" and eating his delicious homemade biscuits. As one of its founding members, he traveled with Volunteers in Medical Missions to numerous locations in Central America, South America, Africa, and Asia. Stan relished teaching medical students and residents about the joys of family medicine and cared for his many patients like his own family. He loved flying his airplane and took great joy in the many hours he spent in the air. His life exemplified the parable of the mustard seed, a small seed that once planted grows into the largest of trees, providing a resting place for many birds.

Visitation will be held at Davenport Funeral Home in West Union on Tuesday, June 18, from 5-8pm. His funeral will be held at Alive Wesleyan Church on Wednesday, June 19 at 1pm, with visitation for friends and family starting at 12 pm. A private family burial will follow.

In lieu of flowers, memorials can be sent to Volunteers in Medical Missions at 265 South Cove Road, Seneca, SC 29672, where a scholarship fund is being established in his honor, or to Southern Wesleyan University to the Dr. P.B. and Christine Wood Memorial Fund.

“ July 22, 2019

Dear Mrs. Rampey, Children, and Grandchildren,

I was saddened to hear of Dr Rampey's recent passing. My husband, Paul, & I retired in 1986, moved to Salem, SC from Illinois, and found our family doctor and friend for 28 years in Dr. Rampey. He helped me through several problems; and he helped Paul deal with Alzheimer's disease. Paul and I had been traveling to Anderson SC for help. Driving was difficult for us and when he found out what we were doing, Dr Rampey received permission from the doctor in Anderson SC to help Paul. Paul died in 2012 in Easley Hospital, SC. Dr. Rampey was a good, caring doctor, like another son to us both.

We met you only once. It was at a nursery where you were looking for a plant before your daughter's wedding. Dr. Rampey told me he was so nervous. I will never forget how open and honest he was with us both. My blessing and heart felt love goes with you and your family.

With much Love,

Dorothy Ritts (92) Champaign, IL

“ *Our thoughts and prayers are with all the family. Dr. Rampey will be missed by many. I Loved this man he was my Doctor, my friend, and a comrade in arms. He was so much more than a doctor the list is never ending. He was a life saver for me and my family, as he treated myself, my son, my sister, and my father and mother. He is now resting with our heavenly Father. God Bless each of you. Frank Black and family.*

“ I had the privilege of calling on Dr. Rampey over many years. He was always so kind & respectful to me as a pharmaceutical representative. He cared so much about serving his patients to the best of his ability & wanted to know about the latest advances for their benefit, as well as, to better train the residents who had the honor of his tutelage. He was fun, while also being very serious as he fully understood how people counted on him & trusted him with their lives. I'm so thankful that he is now in the Father's loving presence. I pray for all of his many family members & friends to find comfort & strength from the Lord his Savior as they mourn our great loss of him being with us on Earth. I will greatly miss him as one of my favorite physicians to call upon and treasure having known him.

“ *A life well lived.*

Thank you for his service for our Lord Jesus on mission trips, his service to our country and community, and especially for being a Godly example of husband and father.

He took exceptional care of our Grandpa Cartee, Aunt Evelyn and our family. He will not be forgotten.

Love always, the Landreth's

About 2 months ago, I had to see him unexpectedly and he just made me feel so much better. That is who he was. He used his special gifts of humor and compassion to minister to patients and everyone he met. To his family, you are in our prayers and thanks for sharing him with the rest of us. “ I cant begin to say how much Dr. Rampey will be missed by me and all of us at SMA. He was such a blessing to me and my family. I worked for this special man for 30 years ! He delivered all three of my children (he was ONE OF A KIND in the delivery room!) and he found a very serious heart problem of my fathers that prolonged my fathers life ! He was a great and gifted Dr. but he was also just a wonderful person with a super personality!!! He leaves a great legacy. I will miss him and I will cherish the memories I have of him. “ Dr. Rampey made everyone who ever came into his presence feel welcome and cared for. He was an amazingly caring and compassionate doctor and friend. Anyone who was a patient became a friend and felt like family. Losing someone suddenly that you love causes a particularly difficult transition. You never got to say goodbye or thank them for all of the wonderful things they have done. But I have no doubt that he knows how we all feel and how much his family, friends and his staff and coworkers loved him. He will never be forgotten. Heaven received an angel when he arrived.

“ *Dr. Rampey was our family doctor since I was small. And the last 13 years I had the privilege of working with him at OMH. He was always cheerful and kind at all hours of the day or night. He treated all his patients like family. I never heard him say "that's not my patient" or "did you call the resident first".*
He was there for my family through some really hard times. And delivered my 4 little girls, singing "Happy Birthday" to each one - they loved Dr. Rampey. He had a way of making them feel special. One night after working 3rd shift I came home to my 4year old laying limp on the couch with a high fever. I called and got an appointment with SMA, but Rampey wasn't available so we got in with Rachel. My little girl just lay on the table and wouldn't hardly respond to Rachel or I. They sent for Dr. Rampey to get his opinion. The moment she heard his voice she perked up and responded to all his questions, even though she was feeling awful. My little girls thought he could fix any germ they had!
He was an amazing Doctor and friend!

“ Mrs. Rampey and family, my heart breaks for all of you and for all of the coworkers, friends, and patients of Dr. Rampey. He was assigned a great responsibility for all of us. As his office manager for a short time, I can testify to what a hardworking, dedicated, and gifted physician he was. He never turned down a request to take more patients or work a longer shift or add a shift, "whatever it takes to take care of the patient, Phyllis". I will cherish my time at Seneca Medical always and all that Dr. Rampey taught me. So many stories of what a remarkable man he was is his legacy. What a testimony that Dr. Rampey lived before us. I am thankful to have known him and I pray that you all will be comforted in the days and months ahead. I send my deepest affection and prayers.

“ Scouts and adult leaders of Troop 235 who knew Stan mourn his passing. He was the quintessential scout dad whose enthusiasm for Scouting and the outdoors propelled his three sons, Andrew, Austin and Abram to Eagle. I have such great memories of him at Northern Tier in 2000 and 2002, OKPIK 2000-01 and numerous other campouts (that infamous green striped eco-pack!). Always the kind word and the wonderful laughter. This picture of him pretending to canoe in the snow in Northern Minnesota underscores his great sense of humor, love of life and the outdoors. I cry and laugh at the same time! It is parents like Stan and his wonderful wife Carol who have maintained my longevity as Scoutmaster. I saw him recently and noted that we are planning a trip to Philmont next year. He was all excited and wanted to know if he could come since that was one trip he always wanted to take. And for sure, I said let's plan on that! Well, he may not be physically coming with us but for sure, he will be there in spirit. He will help me carry my "pack "and my footsteps will be his.

Seneca medical was suggested so we went and Dr. Hanke became out doctor and Dr. Rampey was her intern doctor. He needed to guide her in some areas and he done it such a mild manner. I also saw him as a patient when I needed an appointment and I would get Dr. Rampey, I was happy with that. “ Don was in the same class with Stan at Central Wesleyan College (Southern Wesleyan). We remember Stan doing the Buzzard Lope. There is a picture of him in the 1972 yearbook doing the lope. Stan was an amazing man. Stan became our medical doctor, (1985-1987) treating all the family at one time or another while Don was the pastor of Westminster Wesleyan . “ I feel honored, privileged, and blessed to have worked with Dr. Rampey at Seneca Medical Associates for over 20 years. It was always evident when he was in the office, as his ginormous personality and hearty laughter resounded throughout the building. He brought much joy to our workday lives, and there are no words to express just how much he was loved and will be missed!

“ Dr. Rampey was not my primary doctor. I saw him many times and loved him. He took time to talk, listen and laugh. I loved his sense of humor. He was an awesome person, not just a doctor.
To the Rampey Family..I know what it's like to lose a Father..I feel your pain. My heart breaks for all of you and Mr. Dodd's family as well. My thoughts and prayers are with you all. Everything changes after this, just go on each day and live life to the fullest. I think that would honor him more than anything.
Peace be with you and Love surrounds you.

“ Dr. Rampey was our family physician and a friend, he delivered all 3 of our children by c-section. We have shared many wonderful experiences with the Rampey family at OCA making applebutter and on mission trips to Central America on the Medical Team with VIMM. He was a very compassionate man who loved his family and co-workers. His personality and laughter will be greatly miss by those who knew him. We will be praying for you his family our hearts are sadden with your loss.

“ *My deepest sympathy to Dr. Rampey's family at this time. No words can express how grateful I am for having known him. No one can compare to him as a doctor and person. He was the greatest if them all. He was the only one who could keep my parents in line. My dad (James English) respected him greatly and that is saying alots. He gave Dr. Rampey a turkey caller he had made and Dr. Rampey was tickled with it he would go all over the office and use it the other doctors were very jealous of it. Dr. Rampey was like a kid in a candy store when he received it. A twinkle was in his eyes. I will greatly miss this wonderful man, there will never be anyone like him. Dr. Rampey consoled us when my dad passed away and that is a memory I will cherish forever. GOD BLESS YOU DR. RAMPEY and your family at this time. YOU WERE GREATLY LOVED BY MANY.*

“ There are not enough ways in any language to express the void that Dr Rampey leaves. An amazing mentor for so many, he embodied what we all strive to become. He was a well-rounded person. He never shied away from hard work, an extra shift, or difficult tasks. Dr Rampey took care of his family, loved his wife, children, and grandchildren. He was funny, kind, bullheaded, and spirited. I am ever grateful to him for taking the time to teach me not only how to be a doctor, but also a mother and wife. I will never forget the mess that was his office, the craziness that was his hair, or the man that helped shape who I've become.
