“ I like to think that Steve helped change the direction of my life. I was a year out of high-school in California... minimum wage jobs... my Dad asked if I wanted to go with him to SC because he was officiating the wedding of Steve and LaDell. I was encouraged by Steve to put in an application at Steel Heddle while I was here... the HR manager (Jimmy Smith) told me they had a job that paid \$5.14 hour. I told him I could be back a week from the next Monday... \$2.10 was minimum wage back then. Him offering me a chance to get a better job and out of Southern California changed my life for the better.
