“*Mr. Mo was one of a kind. He was like a guiding star for many of his students. He provided so much knowledge and experience that helped others find their way. He was the main reason I continued on to Clemson. He always asked me, while I attended Tri County, when I would start at Clemson. I graduated from Clemson with an Agricultural Education Degree and teacher’s certificate, because of his guidance. He was an amazing person. He inspired so many of his students to go above and beyond.*

I remember the first time I called him, Mr. Mo. He thought it was the funniest thing ever because I had pulled it from the Three Stooges. You see we were working on a class project and I was partnered with these two slackers. Well, Mr. Mo came up and asked how things were going with the project. I said something like “Curly” and “Larry” are getting there part done and so that’s where we are Mr. Mo. He laughed and laughed. Then he said so that makes you “Shemp”. I know it was a corny joke but me calling him Mr. Mo stuck.

He was and always will be remembered by those he touched the lives of.##imported-begin##Beth Turpin Truesdale##imported-end##

“*Mr. Morrison was a sincere Christian. He always took time in his schedule to stop and say hello. I sat with him that last day at NHMS until his family arrived to take him home. It was a very humbling experience for me to listen to him talk about his life, family and illness. He will greatly missed by all. I look forward to seeing him again!##imported-begin##Jan sTover##imported-end##*

“ My deepest sympathies to the family. Mr. Morrison was a fine man and teacher. He was definitely one of my favorite teachers, as he taught us far more than just agriculture. He even taught us to be "gregarious" as he walked us around the school and taught us. I believe every student from WHS has fond memories and stories of him. Mr. Morrison will be missed but we know without a doubt that we will see him again.

“ Mr. Morrison was a wonderful coworker at North Habersham. He made agriculture a meaningful experience for his students and was a pleasure to work with in the projects that we collaborated on: trimming butterfly bushes, Trout in the classroom, and the planning of the greenhouse. His students loved him. I am blessed that I had the honor of working with such a fine individual and we will miss him so much. ##imported-begin##Brenda Hunt##imported-end##

“ We would like to express our sincere condolences. I (Carolyn) taught with Steve for approximately 10 years until I retired. He was a very kind and considerate person. I loved his sense of humor. He was a wonderful cook as well. He treated the faculty to many delicious treats. But most of all he was a testimony to his relationship with Christ. He will be sorely missed.

“ Our prayers go out to the family of Mr.Morrison. He was truly a inspiration to all who knew him.
This is a great loss for he was the best teacher at Walhalla High School. I graduated from Walhalla High School in 1987. I was in his class and have many memories the fondest was when we were digging to put fence post down and his a water line and the wentup about 20 feet in the air I thought Mr.Morrison was going to have a heart attack having to explain this to our principle. Also the time when he ran into the back of the school bus and when the basketball hit his truck windshiled and busted it. He was truly a great man and again will deeply be missed. My prayers and heart go out the the family. Monica (White) Cooper###imported-begin###Monica (white)Cooper###imported-end###
