“ Steve was one of my favorite people. I didn't know until just now that he had passed. Seems like we think we're going to live forever then we find out we're wrong. I am so sorry for your loss it is my loss too. I wish I would have known in time.

“ I have so many fond childhood memories of Steve, growing up and our families hanging out together. He was always a good friend over the years - always brought us canned green beans from his garden. He will be missed by many. My sympathy to all his family.
