“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.

“ It was always good to look up from your desk and see Steve. You knew that your day just got better. He would have something funny to say or an odd thought provoking idea about an ongoing situation. I thank him for being my friend and will miss him.
