“ I will always remember my father as a wonderful caring, dedicated man who loved his family tremendously. He showed us what being a devoted father and husband was all about with endless love, affection, laughter and adventures throughout his life with us. Always joking and playing with his children, his nieces and nephews and grandchildren...wherever there was fun to be had, Dad was always in the middle of it all. I will always cherish every day I had with you Daddy and I will miss you more than you will ever know. I love you to the stars and back XOXO your little girl ❤️
