“ *The Earth lost a very sweet, selfless angel this week and heaven gained one. Nonie always made sure everyone was happy and served them before she thought of herself. She loved children. She was such a giving, selfless sweet soul. She was loved by many. Nonie loved her plants and grew many of them. She was certainly an expert on the different types of plants and how to take care of them. She cared for all of her family and loved to cook for them. She spent her days taking care of everyone else. Nonie was a giver. She was so loving and so caring. Nonie was a very special person. Her happiness shined through when she was making others happy. She was the “wind beneath many wings. “ She was a blessing to know.*
