“ *I have a lot of memories with Susan. As some of you may know we  
married cousins  
We were at each others house every weekend. But the one that  
stands out in my mind is the winter of 1962. I was 7 mos. pregnant  
and Susan, Lloyd, myself & Harold set out to see the snow at  
Highlands. We got so far up the mt. & the car got stalled in the  
snow. Susan & myself got out of the car & walked down the snow  
filled highway while the guys literally turned the car around with their  
hands and headed back down the mt. I had my baby in March. She  
is 54 years old  
I will treasure this memory plus many more.*
