“ *Prior to meeting Sue, I knew John from working with him at Gen Re in Connecticut. We moved to Virginia in 2005 and learned that John and Sue were residing in the same town; Midlothian. From then on, we became good friends with both of them. Sue was always so cheerful and welcoming in our get togethers. Sue lives on, here, though our wonderful times together and the memories of her. My condolences to all of her family and fellow friends of Sue.*

“ Dear John, Kristy, Becky, Jim and families, our most sincerest sympathy to you. We love Sue and her smile, laugh, kindness and always welcoming friends to her home. I looked at the photo albums Sue made after group get togethers and smiled at her captions for each picture, she was a great story teller. Our love to you all, rest in eternal peace Sue with all the loved ones who have gone before us.
